

Sun Protection

At the Field of Dreams Nursery, we want the children to enjoy the sun safely. We will work with staff and parents to achieve this through:

SUNSCREEN:

- Letters are sent to parents asking permission for staff to apply sunscreen to their child/baby.
- All children will need to bring their own bottle of sunscreen, clearly labelled with their name. FACTOR 50+ sunscreen.

CLOTHING:

- All children must be provided with a sun hat labelled with their name

OUTDOOR PLAY:

- Children will avoid the midday sun and will play outside mainly before 11am and after 3pm
