

The Federation of St. Cuthbert's & St. Sebastian's incorporating the Field of Dreams Nursery & Extended School Facilities

9th April 2018,

Dear Parents/Guardians,

Please note in order to meet our costs and maintain the standards of care the Field of Dreams provides, it is necessary for us to increase our costs. The new costs from the 1st June 2018 will be:

Session	Rate
Morning	£25.00
Afternoon	£24.00
Full Day	£42.00
Full Week	£185.00
Wrap Around	£30.00

We hope our parents/guardians understand that this facility is set up to meet the needs of our community. All revenue is reinvested into the business so we can continue to provide excellent childcare at all times. We believe these new rates are competitive within the current market and are necessary to preserve your provision.

We are proud to be a part of the Federation of St Cuthbert's and St Sebastian's Schools and feel the supportive approach amongst staff benefits the opportunities your children experience.

We have fantastic facilities including 6 outdoor areas, supported by a variety of highly motivated and experienced staff who put the happiness and welfare of your children at the heart of everything they do.

We would also like to take this opportunity to inform you that we have just (October 2017) been awarded a Green rating in our R.A.G Rating. Liverpool City Council, School improvement Team, externally moderates this rating. The Green rating is the highest standard you are able to achieve.

We also achieved Gold in the Liverpool Early Years Reading Quality Mark (LEYRQM), which engages our school community in making reading fun. Please take advantage of our library facility. We are currently participating in the Liverpool Early Years Mathematics Quality Mark. Please speak to one of our Mathematics Advocates Miss Suzanne and Miss Lauren for more information.
