Sun Protection Policy

At the Field of Dreams Nursery, we want the children to enjoy the sun safely.

We will work with staff and parents to achieve this through:

SUNSCREEN: Letters are sent to parents asking permission for staff to apply sunscreen to their child/baby. (Parents also sign for this in their child's contract)

All children will need to bring their own bottle of sunscreen, clearly labelled with their name.
FACTOR 50+ sunscreen.

CLOTHING: All children must be provided with a sun hat labelled with their name

OUTDOOR PLAY: Children will avoid the midday sun and will play outside mainly before 11am and after 3pm

This policy was adopted on	Signed on behalf of the nursery	Date for review
